PATENT

Atty. File No. P24,386A USA

1. Messrs. Bradley Levin and Joseph Vandenberg are co-inventors named in the above-identified application and are party to Intellectual Property Agreements (the "Agreements") with The Whitaker Corporation.

2. Pursuant to Paragraph (4) of the Agreements, Messrs. Levin and Vandenberg have an obligation to assign to The Whitaker Corporation, and its successors in interest, any and all patent rights they may have in and to the above-identified patent application, and to execute and deliver all proper documents necessary and attendant to domestic and foreign patent applications of The Whitaker Corporation.

4. Several attempts have been made to contact Messrs. Levin and Vandenberg by correspondence and by telephone to have them execute a Declaration and Power of Attorney for the above-identified application to The Whitaker Corporation pursuant to Paragraph (4) of the Agreements.

5. On February 28, 2002, Messrs. Levin and Vandenberg were sent a Declaration and Power of Attorney document to their last known addresses via Federal Express. No response from them has ever been received.

6. On June 4, 2002 and June 13, 2002, Messrs. Levin and Vandenberg were sent urgent reminders via Federal Express. No response from them has ever been received.

7. On June 25, 2002, an attempt was made to contact Messrs. Levin and Vandenberg by telephone. Detailed voice mail messages were left, and a request was made that they return the calls. Return phone calls have not been received.

8. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the

PATENT

Atty. File No. P24,386A USA

United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this Declaration is directed.

Respectfully submitted,
